

Top 20

The Top 20 product contains information concerning the shareholder structure in shares listed on Oslo Børs and Oslo Axess

Top 20 provides information concerning the shareholder structure in the following companies:

- Norwegian companies whose shares are listed on Oslo Børs
- Norwegian companies whose shares are listed on Oslo Axess
- Savings Banks whose equity certificates are listed on Oslo Børs
- Norwegian companies whose shares are listed on the A-list in the Norwegian OTC market.

Product overview

A snapshot of the shareholder structure, as registered in the Norwegian Central Securities Depository (VPS), shows the 20 largest shareholders per the previous Friday. A few companies have reserved against the Top 20 service and these are marked accordingly.

For each position the number of shares, the ranking and the percentage of ownership is given, together with information on the investor.

Note that it might be illegal according to Norwegian Law to store historic information regarding private investor's shareholding positions. It is the vendor or any other client's responsibility to check if they can store and redistribute such type of Information. Oslo Børs/OBI disclaims all liabilities for storage and redistribution of such information.

For detailed information please see technical specification and test files on www.oslobors.no/ob/md_ocdf

Delivery and availability

Top 20 is delivered as xml-files by means of email or FTP (Get). Files are delivered once every week (Wednesdays) with data per the previous Friday.

Please note that the Top 20 product is available only for subscribers to real time information - professional level 2.
